We are indebted to Parson Kelly for a copy of "An Act amendatory of an a copy of "An Act amendatory of an Act entitled 'An Act to provide for the maintenance of Public Schools,' approved March 20, 18%5, and Acts amendatory thereof." The copy before us is attested with the solemn, official attestation of the Secretary of State: but notwithstanding this fact, and mangre our obligations to the Parson, we shall not herewith reproduce the said statute, not if we know ourself, and we think we do. Life is too short and space too limited. It is possible, however, that in the dim distant future we may favor our readers with the same.

AN OLD TIMER AMONG Us. - Mr. Wm. H. Cutter, the well-known short-hand reporter, and who was a member of the House of Assembly of the second semion of the Nevada Leg-istature, is in attendance, profession-ally upon the U. S. Circuit Court, now in session here. Mr. Cutter now re-sides in Marysville. He don't look a day older than he did ten years ago-not a day.

MASERRE ON REATES,-Mr. J. L. Woltos announces, in another solumn, a Theater on the evening of Friday, March 30. In addition to this attraction there will be an exhibition of facey shating by Mr. Thos. O Councy. It will no doubt be a very pleasant affair, all round. Attention is directed to the advertisement and its terms.

AU FAIT CLUB .- We are indebted to the managers of the An Fait Club for s eard of invitation to their Reception to be given this evening at Thester linit. Thanks.

The Church & Jones farewell party was well attended and heartily enjoyed on Hetorday neght.

Sheriff Lamb of Washes County was in the city yesterday.

In the E. S. Cleratt Court

Hon Lorenzo Sewyer is in the city, baving come here to preside over the sessions of the U. S. Circuit Court for this district. The term began yesterday Hon. E. W. Hillyer, U. S. District Judge, occupies the beach with Judge Sawyer. There were more eminent lawyers and more lawyers of all degrees, in the aggregate, in attendance yesterin any Court-room in this State. We nete some of the learned gentlemen, as follows : Hon R. S. Menck, a lawyer of more than a quarter of a century's practice in the courts of this coast and during the first two years of this State's existence an occupant of the bench of one of the aim prius courts of Storey county; Hon. Chas. H. Bryan, a former Justice of the Supreme Court of Califor nia, one of the ablest men at the bar; Hon A. C. Ellis, a prominent politician and a lawyer of first-rate standing; Hon. John Kittrell, the Attorney General of this State; Hon. James F. Lewis, twice a Justice of the Supreme Court of Nevada and a lawyer of eminent standing; Col. M. A. Stone, one of the hardest working and most thorough lawyers of this State; Hon, M. Kirkpatrick, an able and experienced attorney of some twenty years practice here, in California and in Utah; Hon C. J. Hillyer, eminent not only here, but in Washington, as a firstclass practioner; Hon John Garber, a former Justice of our Supreme Court, and now kept busy with the most im-portant mining litigation; Hon. C. B. Whitman, at one time an associate with Judges Garber and Lewis, at the Sugges Carber and Lewis, at the Supreme bench of this State, and one of our very best lawyers; Hon Robt. M. Clarke, second to no man at any bar in point of industry and zeal in behalf of his elients, and a highly successful practioner; Hon. Thomas Wren, who stands at the head of the bar in Eastern Navada and who is the member of Congress elect from this State; Hon T. D. Edwards, doubtless the best land lawyer Edwards, doubtless the best land lawyer in Nevada and a State Senator: T. W. W. Davies, an attorney of excellent qualifications and a scholar of rare attainments; Mr. Newlands, one of the younger members of the San Francisco bar, a most promising lawyer and a sonin-law of Hon. William Sharon; Hon. C. N. Harris, formerly Judge of this District, the present Land Register here, and a most trustworthy lawyer; Hon. Chas. Belknap, a former Justice of our Supreme Court, a very careful and

of his excellency Governor Bradley; and Hon Tom Wells, also an exand Judge and practioner of more than twenty-five years standing. We doubt if such an array of legal talent as this has ever before been assembled, at any term of court in this State. We call to mind the trial of the celebrated Greenback case of Milliken Bros. vs. Slost, before the Supreme Court of this State and the many lawyers of high at-tainments and widely extended fame— the late A. P. Crittenden among the number—but the number of first-rate lawyers was very much less than here. As to the causes of this large congrega-tion of the gentlemen of the bar, there are several important cases and a very full calender. Among the important mining suits are the case of the Richmond vs. the Eureka Consolidated; the heirs of the late J. Neely Johnson vs. the Ophir Mining Company; the case of Sinclair Barnes et. als. vs. the Con. Virginia Company, &c. We believe that the State Prison title case also co for trial at this time. Altogether a very important and notable term of the

our Supreme Court, a very careful and painstaking attorney and the son-in-law

Going to Study Law .- Mr Alex. Whitehill, who, during the late Legislative session, was the reporter for the APPEAL, goes to San Francisco to-night to enter a law office there, where he will study the "rule of action" and be initiated into the mysteries of the life of an attorney. He has our best wishes.

The case of The Heirs of J. Neely Johnson vs. the Ophir Gold and Silver Mining Company was up for a hearing on a motion for a new trial yesterday, before Judge Sawyer. Means. Garber, Whitman and Newlands for the company and Col. Stone for the plaintiffs.

Peach and pear trees in the western part of the city are just ready to blossom. This beats all for for forwardness. But oh I the perils of possible frost bites.

Hop. Tom Wren is in this city attending the term of the U. S. Circuit Court. He looks in surprising good

Col. Bob Lindeay was in the city yesterday, also Mr. Frank Ganahi, the famous Democratic campaign orator.

U. S. Circuit Court jurors are warne to be on hand to-day, promptly, at 10 o'clock. Verbum sap.

BUMORED COMPROMISE. - Says the Eureka Soutinel of March 17:

A rumor has been in circulation for the past two days that a compro-mise had been effected between the Bichmond and Eureka Consolidated Companies, and work would shortly be resumed in both mines unrestrict be resumed in both mines unrestricted. Another rumor is that it has been agreed that both parties put up bonds and have the work go on, the case meanwhile to be tried on its merits and in no way interfere with the extraction of ore. As to the truth of such rumors we cannot say. We carnestly hope that come arrangement may be made and thus allow several hundred miners, now thrown out of work, to return to their pick and shovel and four doing that the restraining orders benead have proved a carious backet to the prosperity of our camp, and just at the time when the prospects of a busy and profitable season appeared to brack the rumors up, but as yet have found nothing warranting us in saying that there is any such hope.

Washington, March 19.—Governor Hampton of South Cerolina has given a guaranty to the President that if the troops are withdrawn no violence will occur or be allowed, but that he will proceed against Chamberlain by will proceed against Chamberlain by legal means only, and under a statute enacted by the Republicans in 1868 to enable them to put out some Dem-ocratic incumbents. This statute provides for the summary eviction provides for the summary eviction of any person intruding himself into public office, by a warrant insued by the Circuit Judge. The party evicted under such warrant is authorised by the statute to assert his claim or pretensions in Court, if he wishes, but he must give way first and at once, upon the issue and presentation of the warrant, to the officer elected.

elected.

Weshingron, March 19.—It is now definately settled that the extra section will convene about the last of May or first of June. There is great anxiety to see the roll of members prepared by Clerk Adams. He declines to make it public, but asserts that, after consedeing to the Republicans all they claim, the Democrats will have three or four majority. The organization of the next House will be likely to be exciting. There is much speculation as to whether enough Democrats will join the Administration to elect a Speaker, or

whother the Southern Republicane, who are greatly offended by Hayes' Southern policy, will secede from the party. San Francisco, March 19.—The fol-lowing sequel to the De Kalands-Burdick lowing sequel to the De Kalands-Burdick elopement has occurred. The circumstances of the flight of Miss Burdick with the Russian lieutenant, and her recovery by her father, were published a short time ago. Since then the young lady has been at home under strict surveillance; but on Saturday night, by the senistance of her friends, the second veiliance; but on Saturday night, by the assistance of her friends, she escaped, boarded a yacht that was atsuding off and on waiting near Hunter's Point, where Burdick resides, and set sail for Vallejo. The wind failed the yacht when off Angel Island, and the party took to a small boat and reached Vallejo during Sunday. Here de Kalands met Miss Burdick and proceeded with her to the county set of Solane county. Fairfield, where, at 12:30 Monday, a marriage license was procured; and, hurrying back to Vallejo, they were married by a Justice of the Peace about 5 a. m. and started on the next train for Virginia City on ed on the next train for Virginia City on a bridal tour. The agent of Burdick went to Vallejo in pursuit of the party, but missed his game.
